

I benefit GREATLY from listening to XM Radio. Its traffic and weather channels are very helpful.

I have come to depend on XM!

The variety and quality that this wonderful radio provides is not available anywhere else.

I am an XM Radio subscriber and I love my XM!
XM Radio is FAR SUPERIOR to FM or AM radio.

Plus, I PAY for my XM service and I don't think it is right for the NAB to dictate what I can or cannot listen to!

That is absolutely OUTRAGEOUS!

I respectfully urge the FCC to REJECT the NAB's petition 04-160 and to support XM's ability to provide the kind of programming that I demand and deserve.

Thank you,

Arin Roberts
a devoted XM subscriber
